## 2019 SOA Membership Dues

November 15, 2018

Dear SOA Member:

As your president, I look forward to working with you in the year ahead. My biggest priorities include a focus on your membership experience, collaboration with the other actuarial organizations, and expansion of employment opportunities in new roles and industries.

The SOA Board [recently approved the 2019 Strategic Initiatives](#), which include the long-term growth strategy and international efforts. We need your support to help achieve these efforts. I encourage you to consider participating with many of the membership opportunities available, from networking and mentorship to volunteering.

Your [member dues](#) help support the SOA's mission and vision, from our efforts with education, research, and much more in advancing the actuarial profession. Thank you for your support and I encourage you to continue your SOA membership. [Pay your membership dues with our online payment process](#). The dues are payable by Jan. 1, 2019 and are subject to late fees if not received by March 1, 2019.

Also, consider joining or renewing your membership to the many different professional interest sections. These sections offer a variety of resources, from research and thought leadership to professional development and networking events.

If you have any questions email SOA Customer Service ([customerservice@soa.org](mailto:customerservice@soa.org)) or call +1.888.697.3900 between 8 a.m. and 5 p.m. Central Monday through Friday.
