

Chartered Enterprise Risk Analyst (CERA) Requirements – Effective July 1, 2012

To attain the CERA credential, a candidate must successfully complete the requirements shown below. In addition, candidates who have the Application for Admission as an Associate approved by the SOA Board of Directors will be granted membership as an ASA. Requirements include examinations, an e-Learning module, validation of educational experiences outside the SOA Education system (VEE), and a professionalism seminar.

Candidates have flexibility with regard to the order requirements are completed. Click on any exam/requirement below to go to its home page and learn about any specific eligibility requirements.

Already an FSA or ASA and considering a CERA credential? [Learn how.](#)
