To receive a text message you must enter your mobile telephone number. Pass/Fail results will be sent via text message after passing candidate numbers are released. Individual scores will not be delivered via text message. Standard text messaging rates apply.

PRIVACY POLICY

- Please go to <https://www.soa.org/legal/privacy-policy/> to review the privacy policy.

EXAMINATION

- Register for the exam by placing a check mark (✓) in front of the appropriate exam. All exams are administered in English except in Canada. For all test centers in Canada, exams are bilingual with questions viewed in English with an option to switch to French.

SCHEDULE YOUR APPOINTMENT AT THE TEST CENTER

- After your registration has been processed, you will receive an automatic acknowledgement letter by e-mail that includes your candidate/eligibility number for this administration. The candidate/eligibility number included on the automated acknowledgement will NOT be activated immediately. Once the number has been activated, SOA will e-mail you a letter of confirmation. At that time, you should **immediately** make an appointment at a Prometric computer-based testing center. Details will be provided with the confirmation. Candidates who do not make an appointment at a CBT Prometric center upon receiving their confirmation letter may find their local CBT center is filled on the days when the exam is offered. The **latest** a candidate can schedule a CBT appointment is 48 hours prior to the start time of the exam on the final day of the testing window. No appointments or corrections will be made after that time. Lastly, if you do not receive a confirmation email from Prometric within 24 hours of scheduling your appointment, please contact Prometric to make sure the appointment captured properly.

EXAMINATION FEES

- Exam fees may be paid by check, money order, or credit card (American Express, MasterCard, or Visa). Checks should be made payable to **Society of Actuaries**. Applications should be sent to the appropriate address listed on the first page. Fees must be in U.S. funds or equivalent. Letters of Confirmation used for scheduling appointments are not released until the account is paid in full. **NOTE:** The amount billed to an individual's credit card will be automatically adjusted for persons who miscalculate the amount due. **Fees are not transferable from one session to another.** Candidates with a balance due will not be permitted to register for future examination sessions until outstanding debts are paid in full.
- If paying by credit card, the candidate must include the CVV2 number (see details below under "Additional Credit Card Information—CVV2 Number").
- A **\$25** fee will be assessed on any checks returned due to insufficient funds.
- **NO REFUNDS:** The SOA does not offer refunds for its examinations. No part of a fee paid to the SOA for examination registration will be refunded or transferred to a later exam period should the candidate not appear for the exam or not have the proper identification which precludes taking the exam. The SOA does recognize that events may occur that are outside a candidate's control. In those cases, there are two options that may be available:

- **Rescheduling Options for CBT:** Because computer-based exams are administered over several days, candidates have the option to reschedule their test appointment within the same testing window provided that the request is made more than 48 hours before the scheduled appointment, and also provided there is a seat available. There is a \$70.00 rescheduling fee paid directly to Prometric. To reschedule a CBT appointment, candidates must follow the directions provided at <http://www.soa.org/Education/Exam-Reg/Exam-Day-Info/edu-cbt-add-rules.aspx>
- **Emergency Situations.** Preliminary Actuarial Exams/SOA recognizes that unforeseen emergencies may occur that directly influence a candidate's ability to take an exam on an appointed day. We will consider these situations on a case-by-case basis. Candidates finding themselves in such a situation should contact SOA Customer Service at customerservice@soa.org.

SIGNATURE

- For this application to be valid, your signature must appear on the front of this application.

ADDITIONAL CREDIT CARD INFORMATION—CVV2 NUMBER

How to find your credit card's CVV2 number:

On a **Visa** or **MasterCard**, please turn your card over and look in the signature strip. You will find (either the entire 16-digit string of your card number, OR just the last 4 digits), followed by a space, followed by a 3-digit number. That 3-digit number is your CVV2 number (see below). On **American Express** Cards, the CVV2 number is a 4-digit number that appears above the end of your card number (see below).

What is CVV2?

CVV2 is a security measure we require for all transactions. Since a CVV2 number is listed on your credit card, but is not stored anywhere, the only way to know the correct CVV2 number for your credit card is to physically have possession of the card itself. All VISA, MasterCard and American Express cards made in the United States have a CVV2 number.

Visa & MasterCard:

This number is printed on MasterCard and Visa cards in the signature area of the back of the card. (it is the last 3 digits AFTER the credit card number in the signature area of the card). **If you cannot read your CVV2 number, you will have to contact the issuing institution.**

American Express:

American Express cards show the CVV2 printed above and to the right of the imprinted card number on the front of the card.

NOTE: For European or Asian credit cards that do not have a CVV2 number, please enter 000 as your CVV2 number.

Retain your candidate number to access results at <http://examresults.soa.org>.
